NOTES

- All dimensions and elevations are in feet.
- Elevations are for top of curb and are referred to the datum of the Topographical Bureau, Borough of Manhattan which is 2.750 feet (0.838 meters) above the U.S.C. & G.S. datum at Sandy Hook, New Jersey.
- Elevations are taken at top of curb unless otherwise noted. Sidewalk dimensions shown are theoretically established for grade determination purposes only.
- Easements are shown for informational purposes only and are not part of the City Map.
- An area of any street hereby eliminated or previously eliminated from the City Map may be reserved for Department of Environmental Protection (DEP) utility infrastructure purposes, pursuant to an easement reserved for the City's benefit or, in the case of property to be retained in City ownership, pursuant to a memorandum of understanding between DEP and the City agency with jurisdiction or management responsibility over the eliminated street area. For verification as to the existence of an easement refer to the official property records in the offices in which instruments affecting real property are required to be recorded.
